

LIMITED WARRANTY

"Apollo" Piping Systems

POWERPRESS

Scope

Subject to the conditions and limitations in this Limited Warranty, Conbraco Industries, Inc. (herein "Conbraco") warrants to the owner of applicable real property in the United States (including its territories) and Canada that all Apollo press fittings listed in the Apollo PowerPress product range, when properly installed in the Approved Applications specifically mentioned below, under normal conditions of use, shall be free from failure caused by manufacturing defects for the applicable Warranty Period(s). This Limited Warranty applies strictly to products installed in the country in which they were purchased.

The terms of this Limited Warranty shall only apply when installation is performed in accordance with the installation instructions found in the Apollo PowerPress System Manual* valid at the time of installation. Additionally, all products must be installed in accordance with all then applicable codes, good plumbing practices, and in accordance with any local, state, provincial or federal requirements.

This Limited Warranty shall be applicable to Apollo PowerPress products only during the following Warranty Period(s):

- The terms of this Limited Warranty shall apply to Apollo PowerPress fittings for a period of 15 years from the date of delivery.
- The terms of this Limited Warranty shall apply to Apollo PowerPress valves for a period of 5 years from the date of delivery.

Approved Applications

The Apollo PowerPress system can be used in the following applications:

Apollo PowerPress

- Closed loop heating installations
- Closed loop cooling installations
- Compressed air installations
- Shipbuilding installations
- Wet sprinkler installations

Apollo PowerPress GAS system:

- Gas installations

Compatibility

Conbraco guarantees the pressed connection of Apollo PowerPress fittings when pressed under the following conditions:

1. The steel tubes (or those with epoxy coating, painting, or galvanized layer) comply to EN 10255, EN10220, ASTM A53, ASTM A106, ASTM A135, A795 (schedule 10 to 40).
2. The selected combination of tools, fittings and tube is permitted by the Apollo PowerPress System Manual* valid at the time of installation.
3. All other terms of the Limited Warranty, as described in this document have been followed.

Content of the Limited Warranty

1. Conbraco will compensate direct damage which occurs as a result of culpable manufacturing defects (as diagnosed by Conbraco) in the Apollo PowerPress fittings; if applicable, Conbraco shall provide a replacement delivery, free of charge, for all fittings necessary to repair the damage, and/or Conbraco shall compensate the recovery expenses such as the necessary cost for product removal and installation, including costs for restoring the building to the original condition and/or other direct consequential damage, the total sum of such compensation not to exceed a maximum of \$100,000.00.
